11. **INSTRUCTION FOR FILLING UP APPLICATION FORM AND ADMIT CARD :**

11.1 **GENERAL INSTRUCTION :**

- (i) The application form including Computer Form must be correctly filled in and signed by the applicant in his own handwriting. If an Application form or Computer form is incompletely filled in or filled in by a person other than the applicant or more than one application of the same candidate is received, then, in all such cases, all the applications may be rejected.
- (ii) Recent, front view, high contrast black & white passport size Photographs (see Example below) snapped with a placard indicating the candidate’s full name and the date (snap taken NOT earlier than 01.12.2009) must be pasted (not stapled) at proper places provided in the Application form, Admit Card and the Computer form.

Example :

After affixing the photograph on the Application form the candidate should sign it in such a manner that the signature should partly overlap both the photograph and the Application form. In addition to this, the photograph and the candidate’s signature must be countersigned by his/her father/mother/husband/guardian in the space provided below the photograph. **The photograph on the Computer Form is NOT to be signed.**

The Photographs affixed on the Application form and the Computer form must be prepared from the same negative, should not have cap and/or goggles etc. (spectacles are allowed). The photograph should only be pasted (not stapled). Polaroid photographs are NOT acceptable.

- (iii) Required information must be given in the prescribed spaces on envelope ‘A’ and envelope ‘B’.

- (iv) Each candidate is required to give the declaration, as per the text printed on the application form in his/her own handwriting (not in capital letters/block letters) and put his/her full signature in English and Hindi at the specified space.
- (v) Overwriting/cutting/erasing of any entry in the prescribed application form will lead to its rejection. The applicant himself will be solely responsible if any error creeps in the process of examination/selection/admission due to this.

11.2. **SPECIAL INSTRUCTIONS FOR FILLING UP COMPUTER FORM :**

- (i) Each candidate must check that he/she is using the correct Computer form and the same application number is mentioned at prescribed places in the original application form as well as section-A and section-B of the Computer form. For convenience, it is advisable that the required informations be filled in first using a photocopy of the computer form and after due checking the original Computer form be filled in accordingly, so that there may not be any possibility of committing mistake.
- (ii) Each candidate must fill in section-A of the Computer form as per directions mentioned therein. He should not put any mark anywhere else.
- (iii) The photograph, signature and correspondence address etc. of candidate as affixed/entered in section – B of the Computer form will be scanned using an electronic machine which recognizes photographs/entries of high contrast in black and white only. Therefore, only black and white photographs of high contrast should be affixed and the Candidate's Name, Father's/Husband's/Guardian's name, Postal Address, Identification Mark and full Signature should be entered in BLACK INK only.
- (iv) Each candidate must write his address in black ink legibly and carefully because the same will be exactly copied on all the letters to be sent to him. If any error is committed, then a piece of white paper of right size should be pasted on the specified block meant for entering the address. The correct address should be entered in such a way so that it remains strictly within the specified block. If possible, the address may be typed on a piece of right size white paper and the same be then pasted on the specified block.
- (v) Overwriting/Cutting/Erasing of any entry in the prescribed Application Form/Computer Form will lead to its rejection. The applicant himself will be solely responsible if any error creeps in the process of examination/selection/admission due to this.
- (vi) The photograph should be pasted in the space meant for it in section – B. If the photograph is bigger than the specified space, then it must be neatly trimmed to size and then pasted carefully so that it will not be detached while handling.
- (vii) The Computer form if needed may be folded, in such a way that section – B remains intact without any folding mark on it. Nothing should be either tagged or pinned with section-B. Also nothing (except photograph/correspondence slip) should be pasted on it.
- (viii) Each candidate must ensure himself that his/her postal Address, Pin Code, Telephone Number (if available) with STD Code etc., as mentioned, are correct.
- (ix) A sample Computer Form duly filled in is given at Page No. – 10.
